

The 59th High Pressure Conference of Japan—Schedule

November 26-28, 2018 Okayama University of Science, Okayama, JAPAN

Date	Time	A	B	C	D
		2F A0122	2F A0123	2F A0125	1F Presentation Room
Monday Nov. 26	9:00	Registration (2F A0121) 9:00~			
	9:30	Solid State Physics	Materials Science & Solid State Reaction	Earth Science	Instruments & Experimental Technique
		9:30~10:30 1A01~1A04	9:30~10:30 1B01~1B04	9:30~10:30 1C01~1C04	10:15~10:30 1D01
	10:30	Solid State Physics	Materials Science & Solid State Reaction	Earth Science	Instruments & Experimental Technique
		10:45~12:00 1A05~1A09	10:45~12:00 1B05~1B09	10:45~12:00 1C05~1C09	10:45~12:00 1D02~1D06
		Lunch Break			
	13:00	Poster Session (1F Multipurpose Hall) 13:00~14:45 Student Poster Awards 1P01~1P57			
	15:00	The past, present, and future of High Pressure Mineral Physics# (Ridai Hall)			15:00~15:30
		The past, present, and future of High Pressure Materials Science# (Ridai Hall)			15:30~16:00
	16:15	Solid State Physics	Materials Science & Solid State Reaction	Earth Science	Symp. on Bioscience*
16:15~18:15 1A10~1A17		16:15~18:15 1B10~1B17	16:15~18:15 1C10~1C17	16:15~18:15 1D07~1D10	
18:30	Young Scientists Meeting (11F Lounge) 18:30~20:00				
Tuesday Nov. 27	9:00	Solid State Physics		Symp. on Deformation and Fracture**	Fluid Properties & Bioscience
		9:00~10:15 2A01~2A05		9:00~10:10 2C01~2C04	9:00~10:15 2D01~2D05
	10:30	Solid State Physics		Symp. on Deformation and Fracture**	Fluid Properties & Bioscience
		10:30~12:00 2A06~2A11		10:25~12:00 2C05~2C09	10:30~12:00 2D06~2D11
		Lunch Break			
	13:00	Poster Session (1F Multipurpose Hall) 13:00~14:30 Instruments & Experimental Technique 2P01~2P06 Solid State Physics 2P07~2P20 Fluid Properties & Bioscience 2P21~2P24 Earth Science 2P25~2P33 Symp. On Deformation and Fracture 2P34			
	14:45	Special Lecture§ (Ridai Hall) 14:45~15:45			
	16:00	JSHPST Award Ceremony and Award Lecture (Ridai Hall) 16:00~17:00			
	17:00	JSHPST Meeting (Ridai Hall) 17:00~18:00			
	19:00	Banquet (Ravir Okayama) 19:00~21:00			
Wednesday Nov. 28	9:00	Solid State Physics		Symp. on Deformation and Fracture**	Earth Science
		9:00~10:15 3A01~3A05		9:00~10:15 3C01~3C05	9:00~10:15 3D01~3D05
	10:30	Solid State Physics		Materials Science & Solid State Reaction	Shock Compression
		10:30~12:00 3A06~3A11		10:30~12:00 3C06~3C11	10:30~12:00 3D06~3D11
		Lunch Break			
	13:00	Lecture of JSHPST Award for Young Scientists (Ridai Hall) 13:00~14:00			
	14:15	Poster Session (1F Multipurpose Hall) 14:15~15:45 Instruments & Exp. Tech. 2P01~2P06 Solid State Physics 3P07~3P19 Materials Science & Solid State Reaction 3P20~3P23 Earth Science 3P24~3P32 Shock Compression 3P33~3P34			
16:00					Future Perspective of High Pressure Science and Technology‡ 16:00~17:10

*Symposium on High Pressure Bioscience and Biotechnology: Research Development from Different Fields

**Crosscutting Symposium on Deformation and Fracture in High-pressure Science and Technology

#The past, present, and future of high pressure Researches (Open lecture)

‡Future Perspective of High Pressure Science and Technology (Open lecture)

§Special Lecture "Wines made in Japan"
